About our event

The St Thomas Catholic Primary School Parents and Friends Association cordially invites you to sponsor the Biennial School Fete to be held on **Saturday 21th June 2026**

The **St Thomas' Fete** has been an iconic event in the local area for over **40 years** and is renowned for great food, entertainment, rides, craft and a **HUGE** turn out!

The one-day event running for most of the day, offers fun and amusement for the whole family and attracts a very large patronage that extends well beyond the school community and local residents.

Join us for lots of fun.

St Thomas School – our story

The school commenced in January 1929 on the verandas of the old church where two sisters of the Good Samaritan taught 84 pupils. For over 50 years the Good Samaritans conducted the school until the first lay principal was appointed in 1985.

Today, 96 years on, St Thomas' is still a thriving Catholic Christian community, which forms an integral part of the inner east of Brisbane.

Catering to children from years Prep to 6, St Thomas' School provides a secure educational environment in which children are encouraged to develop spiritually, intellectually, physically, socially and emotionally, in order to reach their full potential. An essential part of St Thomas' philosophy is to develop a Christ-centred community that works in with the wider community.

Why Sponsor?

For the community

Our driving factor is that the school supports a thriving, and dynamic, community. This event, with the help of sponsors and stall holders, is not just for all the people that come and have so much fun on fete date, but also those in our community who contribute with handmade goods, the kids who learn songs and dances, and the very large team who come together to plan and create,

For the future of our school

The schools educational, technological and sporting resources are constantly being improved for the benefit of educating children today, and well into the future.

Funds last year went to three key initiatives that are now already in effect across the school:

- 1. Refurbished hard courts**
- 2. New sporting equipment**
- 3. Trophy Cabinet**

We are excited to announce that the funds raised from our 2026 St Thomas' Fete will be dedicated to the development of a *shaded play space and a yarning circle*, enriching our community environment. Additionally, your generous contributions will help complete our state-of-the-art *Prep playground*, providing a fantastic area for our youngest learners to explore and grow.
